## Tom's Tips

Hello Folks,

I do apologize for the absence of the newsletter. It has been a hard summer thus far. As some of

you may know, my father passed away in June right after I got home from a tour then I left for Alaska the day after his funeral. The week after I returned home my 90 year old mother fell and broke her hip requiring hip surgery. Upon returning home Suzi and I found out that he mother was going in for surgery which occurred this week, I might add that she is doing wonderful from that.

I leave for my next trip this Saturday, August 25<sup>th</sup> headed to Glacier Park Montana on a tour that has already been interrupted by the wild fires on the west side of Glacier National Park. As you can see it has been pretty unsettling for us these past few months.

Hope to see you soon.
