Editor's

worth:

With summer closing in fast, and with Spring Break having just finished up, and all the very warm weather we've been experiencing, our area beaches have been packed with depositors! Pinellas County is seeing record tourists not seen since before Covid! This means people are LOSING rings and jewelry at those beaches, and our intrepid ring-finders are ON IT!

I accepted a lost ring call-out down on Treasure Island beach and upon arrival & meeting with the caller, I headed down to the water, only to find that my detector wouldn't turn on, having gotten wet the day before on a water fun hunt! But...have no fear, Mike Shuler went down the next day and recovered the Gentleman's wedding ring from knee deep water! GREAT JOB Mike!

And then we got a call-out for several lost gold rings and jewelry in Tampa, lost in a house fire- and ALL were recovered by Rob V & Gary! Again guys-AWESOME JOB!
