Notes from your President

Winter weather is here, time to hunt your local parks, permissions, and dry sand of the beaches. There are still many coins and artifacts to be found.

Have fun and be safe,

Howard Metts

From the Vice President

I would like to welcome all of our new and returning members to another year of fun and adventures metal detecting. During this cooler weather, now is the time to check your equipment. I just had mine serviced and I am ready for another season of hunting.

There are two great events coming up shortly, hope to see everyone there.

Joe Szemer

NEED IDEAS FOR INDOOR MEETING AREA

Need ideas from members on places we can safely meet indoors for our monthly meetings. We need room to safely accommodate up to 60 people with chairs for seating as well as tables to display our monthly finds. We would also need a screen to hookup a laptop to do some presentations. Location should be central to our members. Member Ed Osmar has come up with a location which I will check out next week. Once we have a good location we will continue our monthly meetings on the fourth Monday of each month 7-9 pm
